A NOTE TO OUR CLIENTS & VISITORS

Pkgraphics.com prints gang run jobs unless otherwise stated. Color Critical jobs must be submitted clearly noted as Color Critical, and must be accompanied by a request for Color Proof or MatchPrint. Color Proofs are not included in our base cost schedule and will incur an additional charge. Printing prices for a dedicated press run will also vary from those advertised on this web site. Please take special care to clearly indicate a job as Color Critical so that special attention can be given to that job. PKG will not be liable for color variations which are common when printing gang runs unless a JOB is clearly identified as Color Critical from the onset.

Thank you.

I UNDERSTAND THAT SLIGHT COLOR VARIATIONS WILL OCCUR. I understand that if my job is color critical, I must purchase a Matchprint© to guarantee precise color and that the use of a Matchprint© will delay my job a minimum of 72 hours. I have read the **job specs** and prepared my file according to the guidelines specified.
